

Description

A taller variety of Allium schoenoprasum with outstanding pink flowers. Vertical foliage makes for a nice accent in the green roof meadow, adding some height and increasing the potential for biodiversity. Holds its foliage well into the autumn months, eventually going dormant in the coldest weather. Flowers attract butterflies, bees, and, other pollinators.

Sold as bare root bulbs. Available in plugs as a custom order. Please contact office for lead times.

Profile

- **Botanical Name:** Allium schoenoprasum var. sibericum 'Pink Giant'
- **Family:** Alliaceae
- **Plant Type:** Hardy Perennial
- **Plant Usage:** Accent
- **Hardiness Zone:** 5
