

Description

This Dianthus has small, bright, magenta-pink blooms on tall blue-green stems. Flowers have fringed petals. Narrow grass-like blue-green foliage is clump forming. Taller flowers make a nice accent in the green roof meadow, adding some height, and increasing biodiversity. Like most perennials, this plant will benefit from growing in a deeper soil profile, or, where the green roof media has been mounded. It will need regular water to become established. A wonderful accent plant, this species will add high color and fine texture to the green roof plant palette.

Large orders may require custom growing. Please contact office for lead times.

Profile

- **Botanical Name:** Dianthus carthusianorum
- **Family:** Caryophyllaceae
- **Plant Type:** Hardy Perennial
- **Plant Usage:** Accent
- **Hardiness Zone:** 3
- **Foliage Color:** Blue-Green
- **Flower Color:** Deep Pink-Magenta
- **Bloom Time:** Early Summer
- **Winter Interest:** Blue-Green foliage
- **Height:** 12" - 15"
- **Spread:** 6"
- **Light Requirement:** Full Sun
- **Origin:** Europe
- **Self Sowing:** Yes
- **Shade Tolerant:** No
- **Substitutes:** [Dianthus deltoides 'Brilliant'](#), [Allium schoenoprasum](#), [Talinum calycinum](#),
