

Description

Known as Perennial Flax, It's one of our favorites some of its features include soft texture and habit, the contrast of thin silver foliage and striking almost iridescent blue flowers with highlights of purple and yellow in the center. It's a rebloomer, re-seeder, drought tolerant, attractive to pollinators, can't go wrong.

Profile

- **Botanical Name:** Linum perenne
- **Family:** Linaceae
- **Plant Type:** Hardy Perennial
- **Plant Usage:** Accent
- **Hardiness Zone:** 5-8
- **Foliage Color:** Silver
- **Flower Color:** Pale Blue
- **Bloom Time:** Spring Reblooms in Summer
- **Winter Interest:** Semi-Evergreen
- **Height:** 12"-18"
- **Spread:** 12"-18"
- **Light Requirement:** Full Sun to Part Shade
- **Origin:** North America
- **Self Sowing:** Yes
- **Shade Tolerant:** Partial
- **Substitutes:** [Liatris microcephala](#), [Campanula rotundifolia](#),
